## **Song 2 I shall never be put to shame**

Psalm 119:1-8 (Aleph) – The first section of the longest psalm. It declares the blessing of walking in God's law and keeping His commandments with a whole heart.

I shall never be put to shame  
When I look upon Your commandments  
With all my heart I will praise You  
When I learn Your righteous judgments

Worship... Worship... Only to the Lord  
Worship... Worship... All to You alone

My steps are firm and steady  
When I keep Your precepts  
You will never forsake me  
When I obey Your statutes

Worship... Worship... Only to the Lord  
Worship... Worship... All to You alone

Blessed am I, upright am I  
When I walk in Your word  
Blameless am I, wholehearted am I

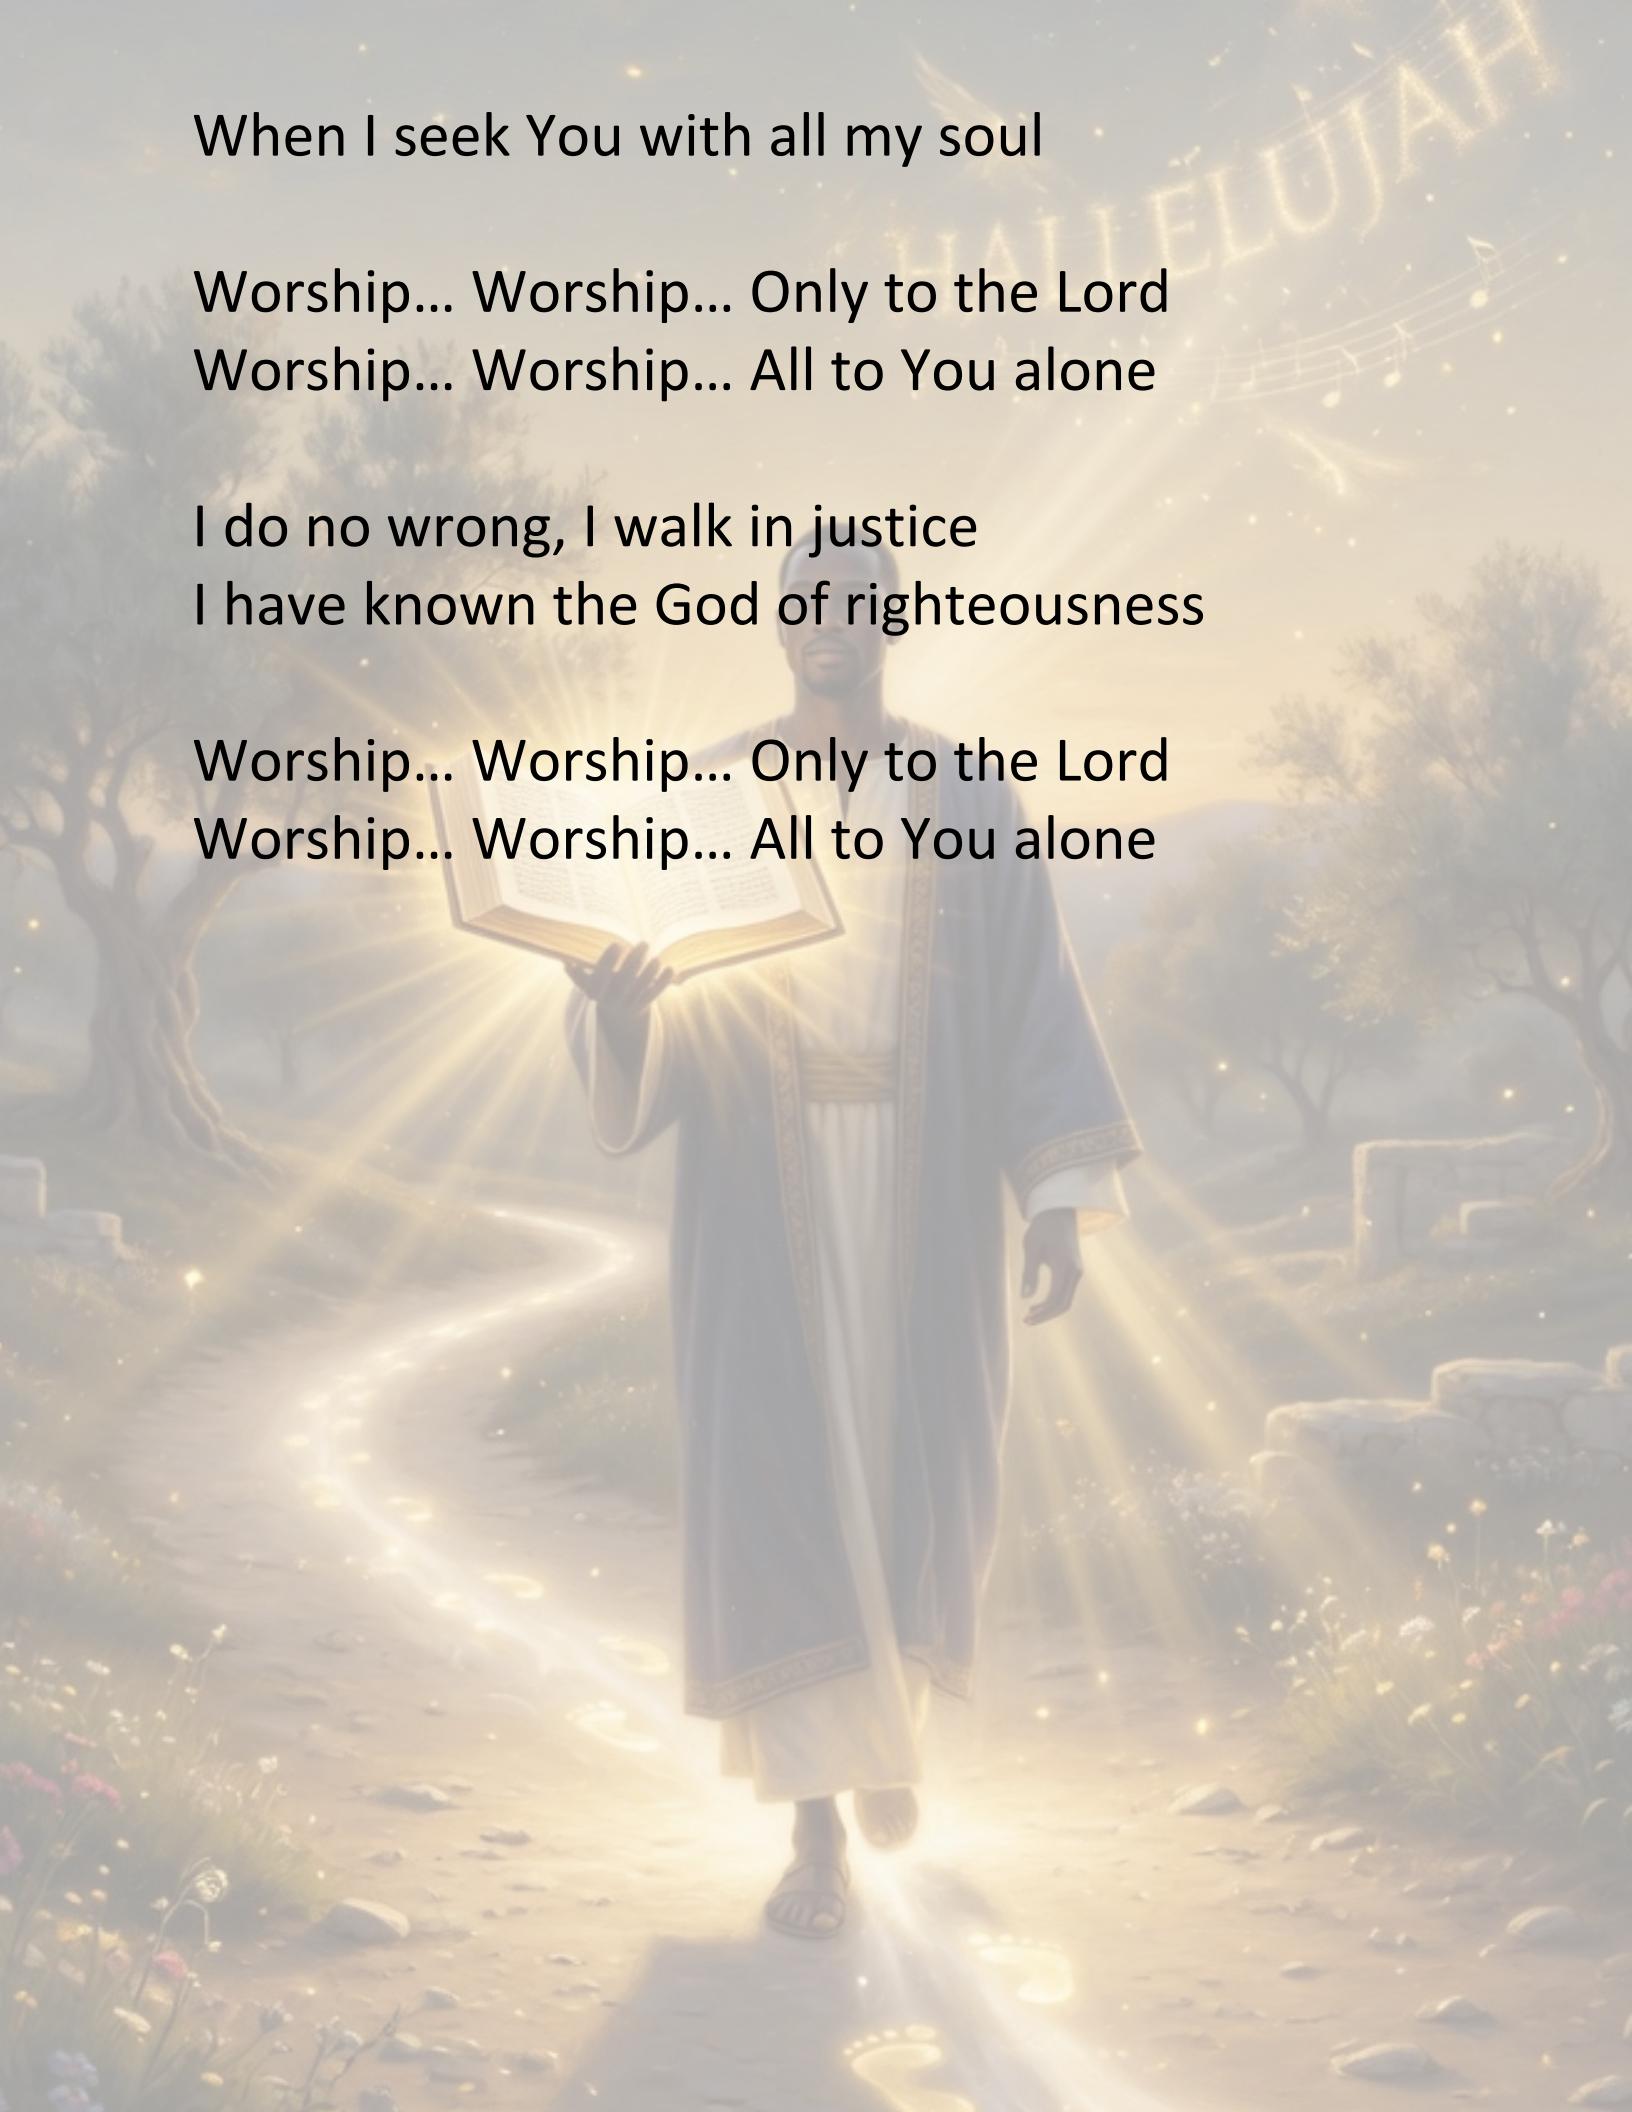

When I seek You with all my soul

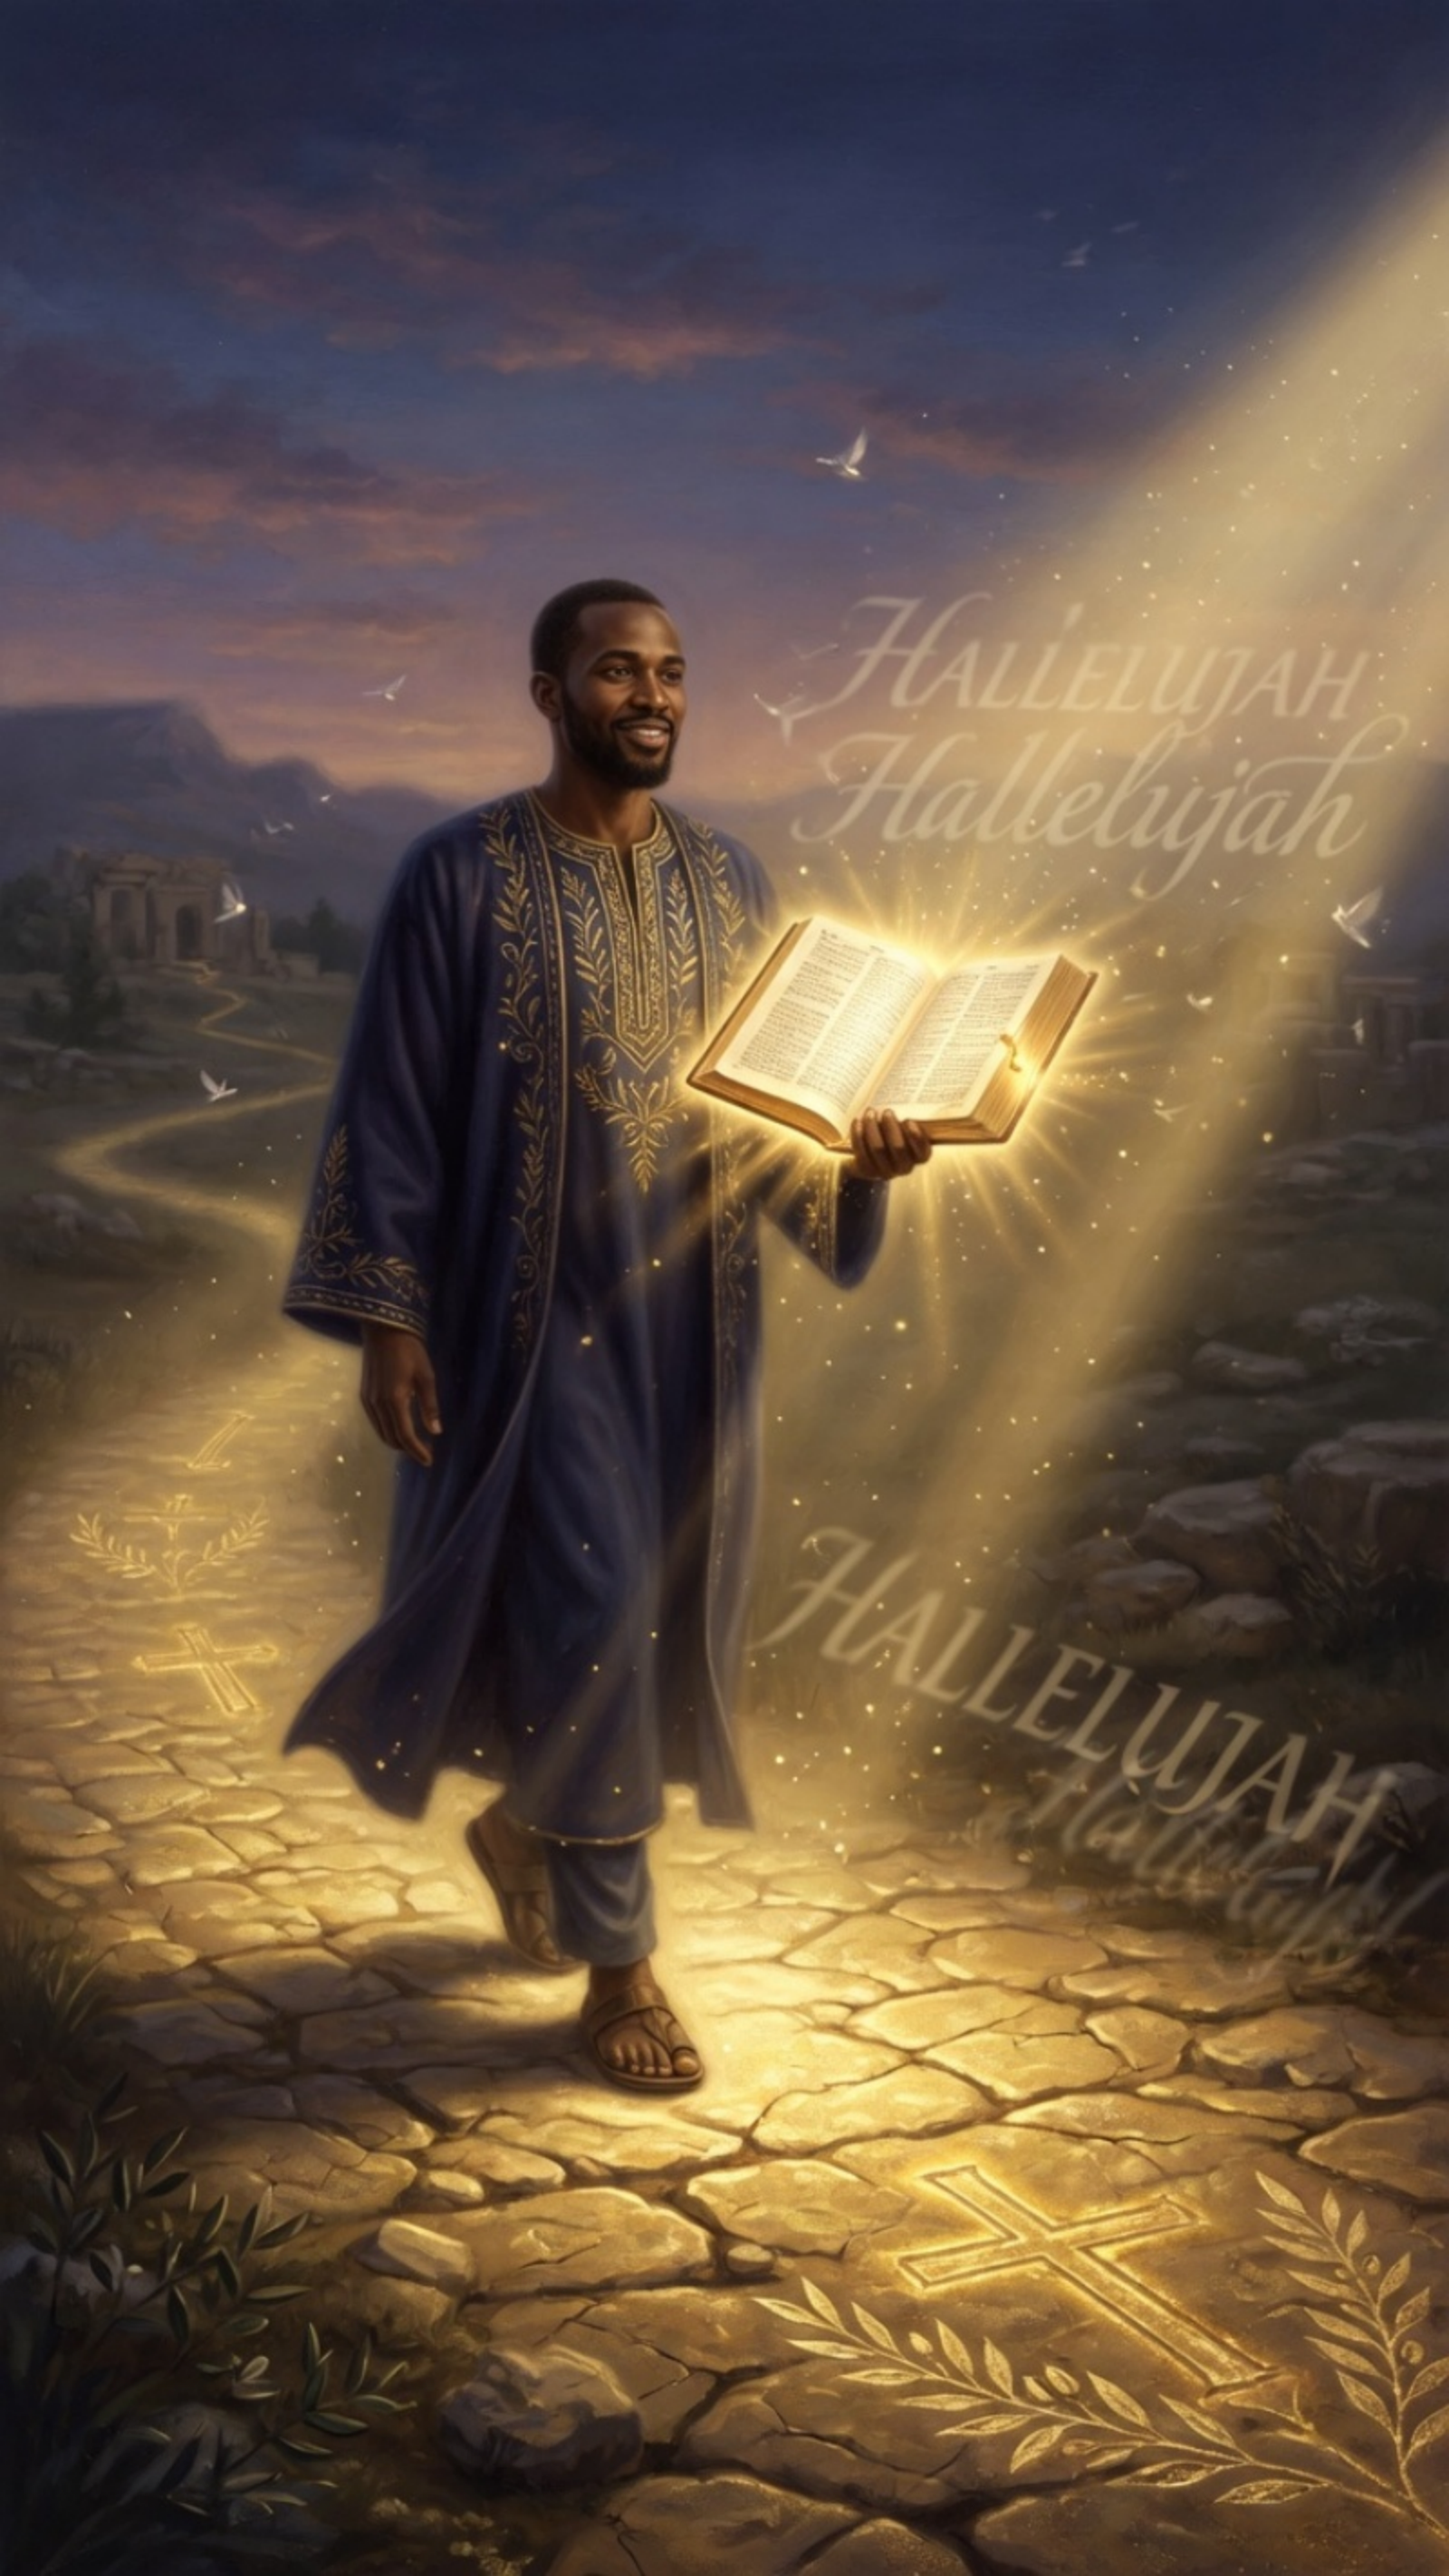

Worship... Worship... Only to the Lord  
Worship... Worship... All to You alone

I do no wrong, I walk in justice  
I have known the God of righteousness

Worship... Worship... Only to the Lord  
Worship... Worship... All to You alone

*Hallelujah
